Subject: Supporting Letter

BCI Academy is an elementary school, first and second cycle, operating in Bishoftu, Ethiopia starting from 2009. Since then the school is working to its maximum discharging all its dynamics effectively and efficiently towards realizing quality education. "Excellence in everything" is its motto.

As we all know to attain Educational goals, community and social participation, especially the involvement of non Government organizations and private owners are decisive. Education office of Bishoftu Town recognizes BCI academy for its hard work and becoming one of the model schools in the Town. Hence, our office highly appreciates, encourages and even releases its heartfelt thanks for all the hands that are supporting the school from all corners.
